The End of Cheap Labour

Brought to you by ČMKOS
Analysis

WAY TO PROSPERITY

- National economy support policies
  - Technological advancement support
    - Advancement to higher degrees of processing – finality of production
  - Dynamic growth of product valuation (price-maker position)
  - Higher added value
  - Higher overall labour productivity
    - Higher wages
## Years to catch-up (data 2015)
